#### Hardware

- Internet Access (Minimum) with 1.5 MB connection speed

#### Memory

- 4 GB (Minimum Recommended)

#### Operating System

- Microsoft Windows 8
- Microsoft Windows 8.1
- Microsoft Windows 10

**Note:** Windows Operating Systems include both 32-bit and 64-bit versions.

#### Processor

Dual core 2.0 GHz (Minimum Recommended)

### Remote Deposit Capture (Merchant Source Capture) Certified and Supported

#### Scanners:

The Bank of Glen Burnie will provide one vendor approved scanner. The scanner is to be maintained on a regular basis per the instructions provided. The initial cleaning supplies will be provided, along with information for the purchase of the subsequent supplies. The scanner will be returned to The Bank of Glen Burnie if the account used for Remote Deposit Capture (Merchant Source Capture) is closed.

Contact The Bank of Glen Burnie to verify whether another scanner is approved for use or for instructions to order additional scanners (including an approved scanner list).
